Ok, great just let me know.

Any suggestions for how to handle lunch? I know you probably have rules about this, can we set up lunch or does everyone need to handle on their own?

Hey Dennis

I haven't found any attendees yet that need a parking pass. I have a few more people to contact, but right now, I think everyone is going to try and use public transport.

Thanks again for setting this up. I will sent you attendees next.

Doug,

I have confirmation with the school that December 5th is good. Would you like to do the morning or afternoon? I will send an invitation for you to pass on.

Thanks,
Dennis

Hi Doug,

I have a note out to the school to check for any problems with availability on the 5th, which would be our preferred date. I will confirm when I hear something.

Thanks,
Dennis
